

## *October Parent Message*

---

God of All, we praise and Thank You for the gift of this school year. It has been filled with Grace and Blessings. "Parents there are many new challenges and opportunities for Sixth Ward Elementary students."

Parents and teachers, let's continue to make Sixth Ward Elementary the best. Children who are loved will have the confidence to succeed in school, to succeed on the job, and will succeed in life. Education increases minimum wages, plus entrepreneurship, plus affordable housing. Push! Demand that our children spend time reading and studying after school. By doing the things we can do, we will make school a happier place to attend, and their futures will be brighter!

- A. No more excuses
- B. No more delays
- C. Begin Now!

Young boys need to know that it is highly unlikely that they will make it to the NBA or see their names on a hip hop or rap CD. Encourage education; it is the key for success. High profile success without an education is useless. Who will manage your money if you can't count it?

If you want a good education, use the Library Resources. Tomorrow belongs to the students who prepare for it! Malcolm X said, "Education is our passport to the future, tomorrow belongs to the people who prepare for it." Martin Luther King Jr. said, "Intelligence plus character is the goal of true education." Nelson Mandela said, "Education is the most powerful weapon we can use to change the world."

Train up a child in the way he should go: and when he is old, he will not depart from it.
