

Sixth Ward Elementary King & Queen Contest

We are excited to say SWES will be hosting a King and Queen Contest this year.

Any student in grades 4th through 5th grade may run for prince or princess. Sixth grade students will run for King or Queen. Students are expected to receive votes by bringing in \$1 per vote. For example, \$1.00 equals to 1 vote. The girl and boy in each grade who brings in the most money will become either the prince or princess or the king or queen. All other students will be part of the Royal Court. These students will be recognized and crowned at Our Masquerade Sneaker Ball on Friday, March 1, 2024.

If you will allow your child to participate, please have him/her return the attached permission slip. They may start to collect money at any time. When the money is turned in, please have it counted and clearly labeled with the student's name and amount. We will then recount the money to verify accuracy. Money will be due Wednesday, February 28, 2024 a 3pm. **NO MONEY WILL BE COLLECTED AFTER 3PM.**

.....

My child, _____, has permission to participate in Sixth Ward Elementary King and Queen (Prince and Princess) contest.

Child's Homeroom teacher: _____ Grade: _____

Parent's signature: _____
